Likewise, the ACPC shall post said reports on its website.

The ACPC shall send written notice when said reports have been submitted or posted on its website to the House of Representatives, Senate of the Philippines, House Committee on Appropriations, Senate Committee on Finance, and other offices where the submission of reports is required under existing laws, rules, and regulations. 6. National Land Titling Program. The amount of One Hundred Million Pesos (P100,000,000) appropriated herein under the Land Management and Governance shall be used by the DENR for the National Land Titling Program which contributes to poverty alleviation, by ensuring that all issued patents are expeditiously registered and converted into Torrens titles. For Special Patents, Agricultural Free Patents, and Residential Free Patents issued from January 2022 to July 2026 that remain unclaimed and/or unregistered, the DENR shall coordinate with the Land Registration Authority (LRA), to facilitate the registration and the subsequent issuance of the corresponding Torrens Certificates of Title to the patentees.

7. Climate Change Information Management System. The DENR, pursuant to its mandate under the Climate Change Act, shall oversee the establishment and maintenance of a Climate Change Information Management System and Network, including climate change risks, activities, and investments. The DENR, in coordination with the Department of Information and Communications Technology (DICT) and other concerned agencies, shall integrate climate change-related information, including climate and disaster risk assessments, in the Philippine Geoportal to enhance understanding of climate risks and apply them in national and local development planning and program implementation.

8. Adaptation of Nature-Based Solution. The DENR shall ensure that nature-based solutions form an essential component of national environmental policy and flood mitigation strategy. All programs, projects, and activities related to watershed management, river and wetland rehabilitation, coastal protection, reforestation, land restoration, and climate adaptation shall incorporate nature-based approaches, whenever technically feasible and ecologically appropriate.

The DENR shall prioritize interventions such as native-species reforestation, assisted natural regeneration, bamboo and vetiver stabilization, contour farming, and the establishment of catchment ponds to restore degraded uplands and strengthen watershed functions. The DENR shall likewise protect forests from illegal logging, mining, encroachment, and land conversion, and rehabilitate rivers, riparian buffers, wetlands, and floodplains to allow natural water retention and reduce downstream flooding.

In urban areas, the DENR shall support the use of green and sponge-city infrastructure, including permeable pavements, bioswales, rain gardens, rainwater harvesting systems, retention parks, and green roofs, alongside the strict enforcement of solid waste laws to prevent waterway obstruction and restore natural drainage systems.

For coastal zones, the DENR shall prioritize the restoration and protection of mangroves, beach forests, dunes, and seagrass beds as natural defenses against storm surge, coastal erosion, and saline intrusion.

All planning and implementation shall be aligned with an integrated flood management and river basin framework and guided by updated multi-hazard maps to ensure that interventions are science-based, risk-informed, and climate-aligned.

The DENR shall submit to Congress, within the first quarter of the ensuing year, an annual report detailing the integration of nature-based solutions into its key programs, including accomplishments, challenges, and recommendations for further policy and institutional strengthening.

Such systems shall, where applicable, utilize available climate projections, hydrological, watershed, geohazard, and multi-hazard risk information and shall support preparedness, anticipatory action, climate-resilient water resource management, and infrastructure planning.

Relevant information generated from early warning and forecasting systems shall, where appropriate, be integrated into CCIMS and made available to concerned national government agencies and LGUs to support risk-informed planning, programming, and decision-making.

10. Identification, Assessment, and Monitoring of Vulnerable Habitats. The DENR shall conduct regular identification, assessment, and monitoring of vulnerable habitats and ecosystems to ensure timely protection against degradation resulting from both natural and anthropogenic activities and climate- and disaster-related hazards. The DENR shall implement appropriate protection, rehabilitation, restoration, and nature-based measures for critical habitats and ecosystems to maintain and enhance ecosystem services and resilience.

The DENR shall closely coordinate with the Department of Economy, Planning, and Development (DEPDev) to ensure convergence with R.A. No. 11995 or the Philippine Ecosystem and Natural Capital Accounting System (PENCAS) Act, particularly in the use of ecosystem and natural capital information for climate-resilient planning, recovery, and investment decision-making.

11. Unified River Basin and Flood Management Database. The DENR, in coordination with DPWH, shall jointly develop, maintain, and enhance a unified river basin and flood management database to support integrated, science-based, and climate- and disaster-risk-informed planning for watershed rehabilitation, river basin management, flood risk reduction, and climate-resilient development.

Such coordination shall ensure that flood control and other water-related infrastructure interventions complement watershed protection and rehabilitation, ecosystem integrity, nature-based solutions, disaster risk reduction, and climate resilience objectives.

12. **Reporting and Posting Requirements.** The DENR shall submit quarterly reports on its financial and physical accomplishments through the Unified Reporting System (URS) or other electronic means for reports not covered by the URS, until such time that the agency has fully adopted the Budget and Treasury Management System (BTMS), within thirty (30) days after the end of every quarter.

Likewise, the DENR shall post said reports on its website.

The DENR shall send written notice when said reports have been submitted or posted on its website to the House of Representatives, Senate of the Philippines, House Committee on Appropriations, Senate Committee on Finance, and other offices where the submission of reports is required under existing laws, rules, and regulations. The date of notice to said agencies shall be considered the date of compliance with this requirement.

13. **Appropriations for Activities or Projects.** The amounts appropriated herein shall be used specifically for the following activities or projects in the indicated amounts and conditions:

Likewise, the MGB shall post said reports on its website.

The MGB shall send written notice when said reports have been submitted or posted on its website to the House of Representatives, Senate of the Philippines, House Committee on Appropriations, Senate Committee on Finance, and other offices where the submission of reports is required under existing laws, rules, and regulations. All tax refund payments shall be subject to the following: (i) adjustment of the report on BOC's tax revenue collections equivalent to the tax refunds for current and prior years; and (ii) COA audit.

The amount herein shall be treated as trust receipts, subject to reversion of any unutilized amount at the end of the year to the unappropriated surplus of the General Fund in accordance with Section 31 of R.A. No. 10963 and Section 45, Chapter 5, Book VI of E.O. No. 292, s. 1987.

Release of funds shall be subject to the submission of a budget request and other relevant budgetary requirements in accordance with applicable laws, rules, and regulations.

5. **Informer's Reward.** Twenty percent (20%) of the actual proceeds from the sale of smuggled and confiscated goods or collected penalties established by law may be given as informer's reward to persons instrumental in the actual collections of additional revenues in accordance with Section 1512 of R.A. No. 10863.

Said amount, sourced from the proceeds of sale of smuggled and confiscated goods or collected penalties, shall be deposited with the National Treasury and recorded as trust receipts in accordance with E.O. No. 338, s. 1996.

6. Disposition of Forfeited Motor Transport Equipment and Other Articles. The proceeds of the sale shall be deposited with the National Treasury as income of the General Fund in accordance with Section 44, Chapter 5, Book VI of E.O. No. 292.

Any government agency participating in the said auction shall pay out of its programmed budget for the purpose, subject to the rules and regulations on the acquisition and use of government motor vehicles.

The Commissioner of Customs and the Bureau's web administrator or his/her equivalent shall be responsible for ensuring that the list of forfeited or abandoned motor equipment and other articles that have been sold in auction are posted on the BOC's website.

7. **Reporting and Posting Requirements.** The BOC shall submit quarterly reports on its financial and physical accomplishments through the URS or other electronic means for reports not covered by the URS, until such time that the agency has fully adopted the BTMS, within thirty (30) days after the end of every quarter.

No. 9514, as amended.

Release of funds shall be subject to the submission of a budget request and other relevant budgetary requirements, and in accordance with judicious fiscal programming by the National Government, as well as applicable laws, rules, and regulations.

2. **Trust Receipts from Firearms License Fees.** Scholarship assistance to be extended to surviving children of deceased or permanently incapacitated firefighters in accordance with R.A.
